EALP Course Extension Policy

Equine Assisted Learning Practitioner (EALP) Course

Extension Policy Statement

Svitání, z.s. affirms that the Equine Assisted Learning Practitioner (EALP) course must be completed within the fixed one-year deadline. This includes submitting all assignments, approving the case study, fulfilling the required practical hours, and successfully completing the final test.

In recognition of unforeseen circumstances, Svitání, z.s. permits limited extensions under the following conditions:

1. Short-Term Extension – A maximum of three months may be granted. Fees apply progressively:
 - First additional month: €100
 - Second additional month: €200
 - Third additional month: €300

A written request must be submitted at least one week before the intended completion date. After the three months, the course will be deemed incomplete, and no certificate will be issued; re-enrolment under new conditions will be required.

2. One-Year Extension – A one-year extension may be granted if requested in writing no later than two months before the original course deadline. A fixed fee of €510 applies. No further extension will be granted beyond this period.

All requests for extensions must be made in writing.

Lecturers require a minimum of 14 days to review and evaluate assignments. Any work submitted with fewer than 14 days remaining before the course deadline will not be accepted.

Svitání, z.s. remains committed to supporting participants in their professional development. In return, participants are expected to manage their studies responsibly, maintain timely communication, and respect all deadlines.
